Forecast for Tuesday 12 Oct 2021

Weather: Dry with long clear spells overnight, but risk of some low level fog patches around dawn. Any fog soon clearing to leave another dry day with some good spells of sunshine around, although cloud above the summits may make the sunshine rather hazy at times.

Chance of cloud free mountain/hill tops above 600m: Close to 100%.

Visibility: A few hundred metres in any low level fog, otherwise very good with panoramic views of surrounding mountains.
